# Music & Cocktails

## Hospitality catered to you.

Food & Desire is hospitality catered to you. It begins with food – sustainable, delicious and inventive. Food that is experienced in our own event spaces, restaurants and cafes, or anywhere you like. Events that are tailored to occasion, from weddings to parties or corporate events. For us, it's all about the perfect combination of engaging with all your senses and creating experiences remembered long after.

We gather to break bread with friends, we drink and relax. We establish relationships with those we love and colleagues we respect. We acknowledge our differences and our similarities, ultimately coming together over food, life and the connections we make around the table.

True hospitality is about the moment of connection, about being surprised it's time to go home. Connection is about being innovative and new, it's sustainable and fresh and it's welcoming and memorable.

## Carousel

Located on Albert Park Lake with uninterrupted views of Melbourne's city skyline, Carousel is operated by Food & Desire.

The 'Bel Air' style entry with a white courtyard and palms creates a sense of occasion and glamour. The original Carousel has been revived with all new interiors, with a warm sophisticated blend of fine textures and natural tones are used to create a minimalistic space.
